

It's easy to use a **Humax PVR**

To Schedule a recording

- Press the **Guide** button
- Select the programme you'd like to record then press **OK**, and that's it!

To Record what I'm watching

- Press the red **Record** button on the remote, easy!

To Pause live TV

- Simply press the **Pause** button, press **Play** to resume.

With upto **100** hours of recording on a 160GB (PVR-9150T) and up to **200** hours recording on a 320GB (PVR-9300T), you need never miss your favourite programmes again!
